Dear Child Care Provider,

This letter is in regards to the September 26, 2014 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ **110.5(8) Children's Files**

☐ 110.5(8) An individual file is maintained for each child and updated annually or when there are changes. *There are 10 children enrolled, one child present and provider's own young child. The children's files need to be updated yearly and provider will update children's files.*

Each file contains:

☐ 110.5(8)a Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child and the parent's work address and telephone number. *Five (5) children of the 10 were missing this form.*

☐ 110.5(8)b Emergency information including where the parent can be reached, the name, street address, city and telephone of the child's regular doctor, and the name number, telephone number, and relationship to the child of another adult available in case of emergency. *Five (5) children of the 10 were missing this form.*

☐ 110.5(8)c A signed medical consent from the parent authorizing emergency treatment. *Eight (8) of the 10 children's files were missing this form.*

☐ 110.5(8)f A list signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child. *Eight (8) of the 10 children's files were missing this form.*

☐ 110.5(8)g A signed and dated immunization certificate provided by the state department of public health. *One child was missing this in the file.*

☐ **110.9(1) SPECIFIC REQUIREMENTS FOR CHILD DEVELOPMENT HOME CATEGORY "B"**

The provider was not over numbers at the time of the visit. This is included as a reminder to provider regarding how many children she can care for.

110.9(1)a Not more than six preschool children present at any one time including infants.

110.9(1)b Of these six children, not more than four children who are 24 months of age or younger are present at any one time.

110.9(1)b Of the four children under 24 months of age, no more than three may be 18 months of age or younger.

110.9(1)c Not more than four additional school-age children.

110.9(1)d Not more than two children who are receiving care on a part-time basis at any one time.

110.9(1)e Not more than 12 children present when the emergency school closing exception is in effect.

110.9(1)f When more than 8 children are present for more than two hours, a DHS-approved assistant at least 14 years old is present.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

☒ Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**
